

## Jewish Cemetery Götttsbach

### Data

### Description

This cemetery, opened in the mid-19th century and with an area of 4,146 m<sup>2</sup>, contains 136 graves, predominantly from the Jewish community of Ybbs. The headstones which were knocked or pushed over in the chaos of war have been re-erected in a double row in the middle of the cemetery.

## **sub-project 1**

### **Description**

#### **General contracting services for the restoration of the Taharahauss**

The services to be performed by the general contracting team cover all planning necessary for the restoration of the Taharahauss (a building used for ritual washing) and drawing up a list of services for the construction work, the call to tender, determination of the best offer and all monitoring and coordination of the construction work.

#### **Specialized planning landscaping**

Planning work covers the entire cemetery. All planning for the landscaping work incl. the creation of tree cadastre, drawing up and implementing the call to tender.

#### **Specialized planning restoration**

No services commissioned at present.

#### **Specialized planning statics**

Any services potentially required regarding statics of the Taharahauss.

With a letter dated 23 February 2015 the Jewish Community Vienna informed the Fund that it was withdrawing its application, and would return the original grant agreement and reimburse the funds already received. The funds already disbursed were transferred back into the account of the Fund for the Restoration of the Jewish Cemeteries in Austria on 9 March 2015.

## **sub-project 3**

### **Description**

#### **Realization**

The office of the Secretary General received an application for funding from the Jewish Community Vienna. Between March and November 2019 the following work needs to be carried out at the Jewish cemetery in Göttsbach/Ybbs: Masonry restoration, General contractor / Master Builder work on tahara building and walling

The Jewish Community Vienna will request the Province of Lower Austria (Art and Culture Dept.) for a 25 % subsidy of the project costs regarding the application for the cemetery in Göttsbach/Ybbs (subproject III). (42,425.71 €)

The application was examined for scrutability. Following discussions by the Advisory Board, the application was granted.

The Fund's Board of Trustees complied with the recommendation of the Advisory Board
