Jewish Cemetery Michelndorf

Data

Description

This modest cemetery was established in the late 19th century and lies hidden in the forest. The cemetery was destroyed during the pogroms of November 1938, when the small cemetery caretaker's house also fell victim to the flames. Only five gravestones remain, all others were looted and reused by a stonemasonry company. The cemetery is freely accessible. Waldhof (hinter der Nr. 1 im Wald links), 3452 Michelndorf, Lower Austria | [show on map](#)
