

## Jewish Cemetery Gattendorf

### Data

#### Description

This Jewish cemetery is located on the periphery of the built-up area of Gattendorf. From the mid-19th century it was also used as a burial place for members of the Jewish faith from the surrounding villages. The majority of the gravestones are no longer visible today. The approx. 120 stones that still exist are mostly made of sandstone. The cemetery is kept locked, the key can be obtained from the local municipal office.
